RE: Supplement to Letter July 6, 2011

Dear Phil:

Chris Neudeck, upon reviewing a copy of the letter which I addressed to you on July 6, 2011, pointed out to me that I should have noted that the CALFED Programatic Record decision which was certified in August, 2000, included the adoption of the Delta Specific PL 84-99 design as the base level of protection for the Delta Levee Protection. I am sorry for this oversight.

Yours very truly,

THOMAS M. ZUCKERMAN
